## Notice to Kindergarten Parents

It is important that Kindergarten Children receive a booster against: Diphtheria, Pertussis (Whooping Cough), Tetanus and Polio.

The West Kelowna Health Centre is having its annual immunization clinics on Thursday, February 25, 2010 from 9:00 a.m. – 12:00 noon & 1:30 – 4:00 p.m. There will be a second clinic on Friday, March 5, 2010 from 10:30 a.m. – 12:00 noon & 1:30 – 3:00 p.m.

Please phone the West Kelowna Health Centre @ 250-980-5150 to book an appointment.

Thank you.
